

PRE-PRIMARY TWO MID-TERM TWO PROJECT

Name: _____

Date: _____

Mathematical Activity

Subtraction story sums

Requirements

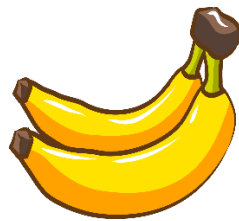

4 pegs

3 spoons

2 bananas

5 balloons

A cup

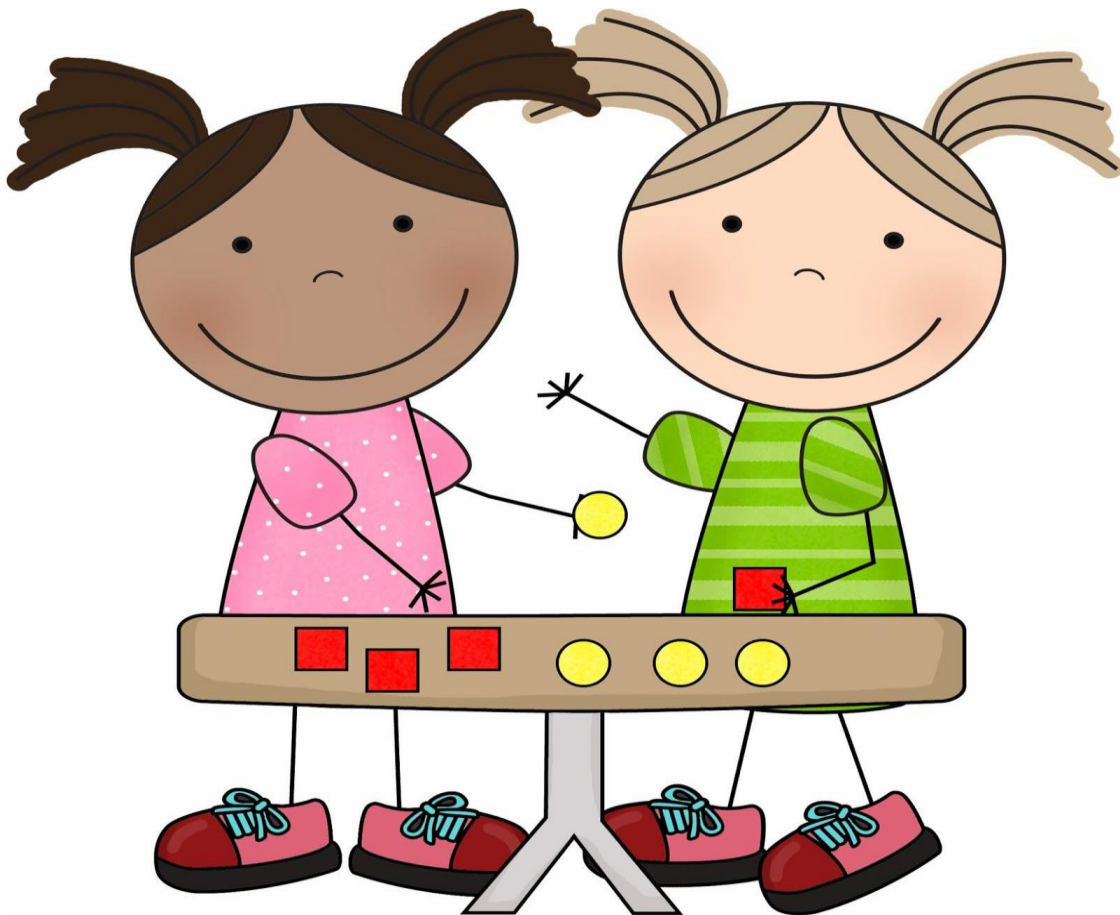

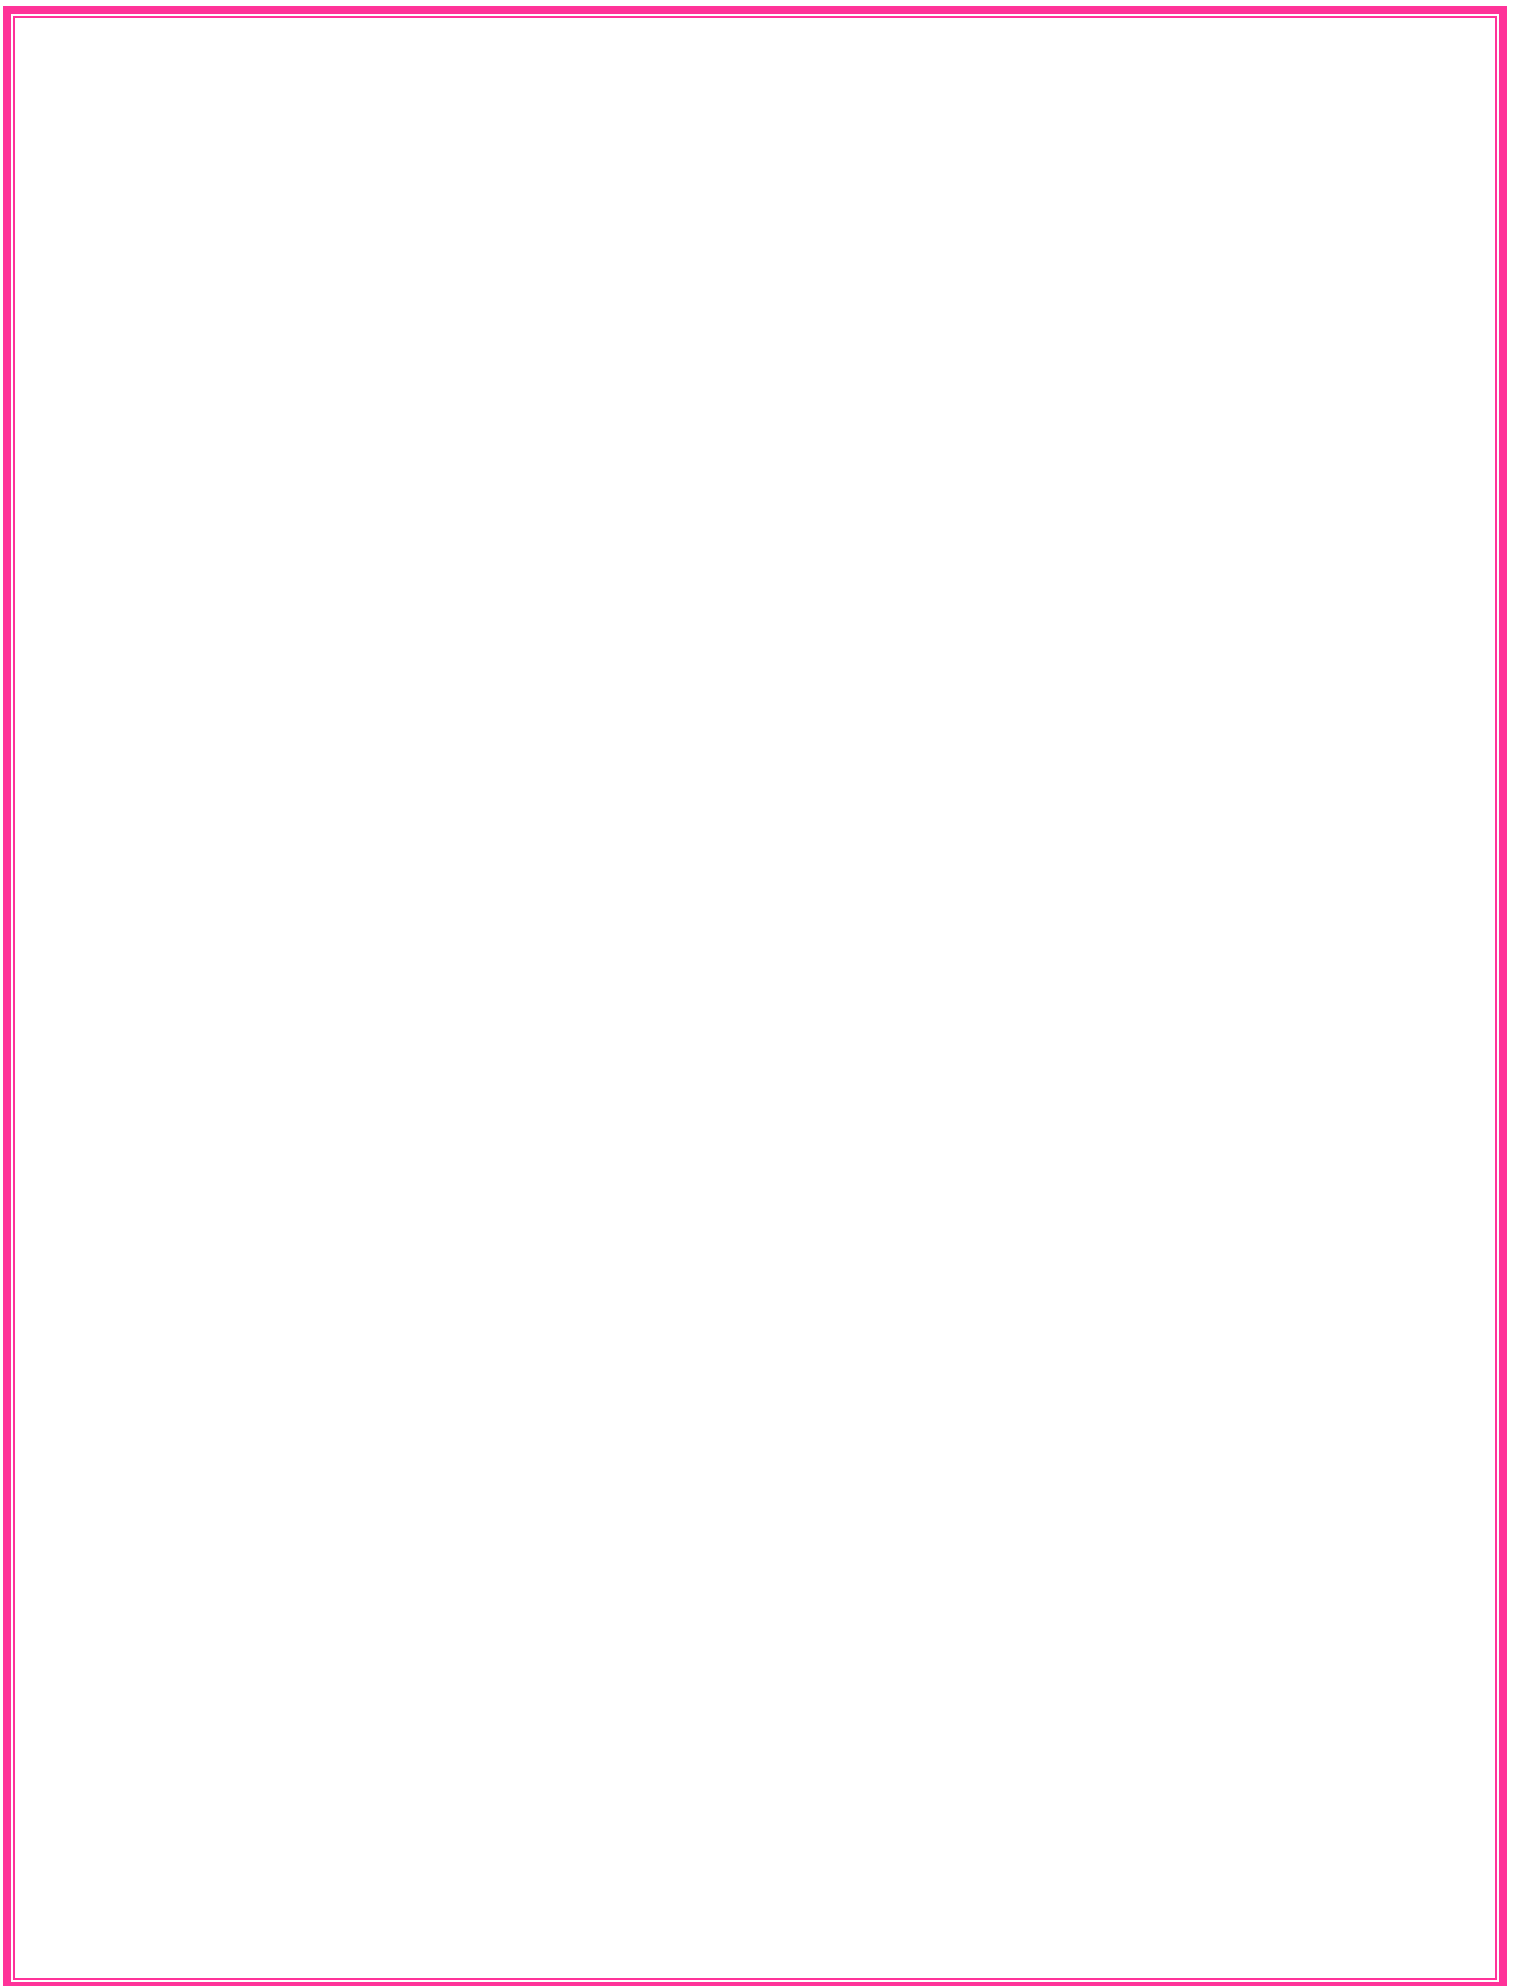

Kindly provide the learner with the above listed materials. Using the materials, engage the learner to practically work out the story sums. Using the seesaw tools guide the learner to type the sum and the answer he/she has gotten on the provided blank page. e.g.

5 - 2 = 3. Take a video while the learner is performing the take away sums and send to seesaw.

Questions

1. I had 5 balloons, I popped 2. How many balloons were left?
2. Mum gave me 2 bananas, I ate 1 banana. How many bananas were left?
3. Peter left a cup on a table, Jane took it to the kitchen. How many cups were left on the table?
4. I have 3 spoons in a dish, Dad took two spoons. How many spoons are left?
5. I had 4 pegs and used zero pegs to hang my

Life skills

Making a healthy snack for the family members

Sandwich

Requirements

A loaf of bread

Lettuce

Tomato

Brawn

Onion

Margarine/butter

Procedure

1. Slice the onions and tomatoes in circular shapes and medium sizes.
2. Cut the lettuce into small pieces
3. Take 2 slices of bread. In one slice, spread 1 tablespoon of margarine or butter and spread evenly.
4. Place the brawn, tomatoes, onions and the lettuce.
5. Top with the other slice and gently press to sandwich them together. Repeat the same with the rest of the slices.
6. Guide the learner to type one of the ingredients he/she used when making the sandwich using the seesaw tools.
